**BRANDING SPECIFICATION - Cat Wooden Model - 124043**

A fully customised design can be done using this template. However, up to a 2mm tolerance is expected for alignment of the printed artwork against the engraved lines, cut outs and cut marks. All critical images and text need to be within the area marked by a blue line. Avoid all critical images & text within the area marked by a red line as they are cutouts which will be removed during assembly. Green lines are pre-engraved lines on the wooden sheet.
