

QUALITY OF CERAMICS

Due to the inherent properties of ceramic ware produced by foreign manufacturers, there may be small imperfections or irregularities which should not be perceived as defective. Variations in materials, firing temperatures and colour pigments may result in variations in glaze and imprint colours. These variations must be considered acceptable.

100% of Actual Size
Digital Packaging Print
FRONT

Artwork will be printed directly onto the product via CMYK printing (no white), colours will not be vibrant due to white ink not being available for this process.
